COLORADO PEACHES

Tree-Ripened, Hand Picked, Juicy, Flavorful, Direct from the Orchard.

Dear valued customer,

First and foremost, we would like to express a sincere thank you to our customers who purchased Colorado peaches from us both last year and beyond. The time you have been anxiously waiting for has finally arrived! It is once again time for our large annual delivery of fresh and delicious Colorado Peaches. We have received word from the orchard that it was another excellent growing season and that the quality of fruit is going to be absolutely wonderful, news that is very exciting for all! These peaches will be the same succulent Colorado Peaches as you have gotten in the past. The price for these great tasting peaches will be staying the same as last year at \$34.00 per lug. Also we will once again have the opportunity to offer fresh Colorado pears. As you may be aware, these pears also go very quickly so get there early! Because of a limited quantity available on the pears, we are unable to offer them on a pre-pay basis. The pears will only be available for purchase at the pick-up sites (while supplies last). The price of the pears will be \$28.00 per box.

These peaches are grown with great care and are hand picked, hand packed, and loaded *immediately* into a truck for the trip to you at our locations for peak perfection. Order yours today and pass this information along to your family, friends, and neighbors. Enjoy and remember us again next year. To reserve your lug/s of peaches, orders must be prepaid and received no later than **Monday August 14th, 2017.**

Please send your prepaid check by *August 14th, 2017* to:
