

Memory Bears & Pillows

A memory to hug.

When a loved one passes away, deciding what to do with their belongings can be difficult. Grandpa's favorite shirt, grandma's quilt, dad's handkerchief, or mom's apron may hold special memories for us. Giving away these cherished items can indeed be painful.

Now these items can be made into treasured keepsakes. We have gifted seamstresses who can transform the personal items into a Memory Bear or a Memory Pillow, something that you can hold onto and cherish.

Complete the attached order form and return it with the clothing or other items to Red Wing Area Seniors, Inc. Most orders will take two to three weeks to complete.

Please call if you have questions.
